

The Very Hungry Caterpillar

By Eric Carle

In the light of the moon a little egg lay on a leaf

One sunday morning the warm sun came up
and-pop!-out of the egg came a tiny and
very hungry caterpillar

He started to look for
some food

on monday he ate through a
apple. but he was still hungry.

•

On tuesday he ate through
two pears but he was still
hungry

on wednesday he ate through three plums but
he was still hungry

on thursday he ate four strawberries but he was still hungry

**on friday he
ate through
five oranges
but he was
still hungry**

one lollipop, one piece of cherry pie, one sausage, one cupcake, and one slice of watermelon

that night he had a stomachache!

The next day was Sunday again. The caterpillar ate through one nice green leaf, and after that he felt much better.

He built a small house, called a cocoon, around himself. He stayed inside for more than two weeks, Then he nibbled a hole in the cocoon, pushed his way out and....

My name is Giselle Hernandez, I am in third grade and attend Roosevelt Elementary School. During my five weeks in CoderDojo I have enjoyed reading the book The Very Hungry Caterpillar and making my version of it using the computer. Second, I have also enjoyed drawing the pictures and writing the story.

He was a beautiful butterfly
